## ARRIVE EARLY TO YOUR GRADUATION BY ENROLLING FULL-TIME!

**More classes = more connections**  
More opportunities to develop relationships with faculty members and other students.

**Maximize your financial aid**  
Some scholarships and grants have a limit on how many semesters they can be used. Many are prorated based on your credit hours.

**Graduate earlier**  
The earlier you graduate, the sooner you can enter your career field with greater earning potential.

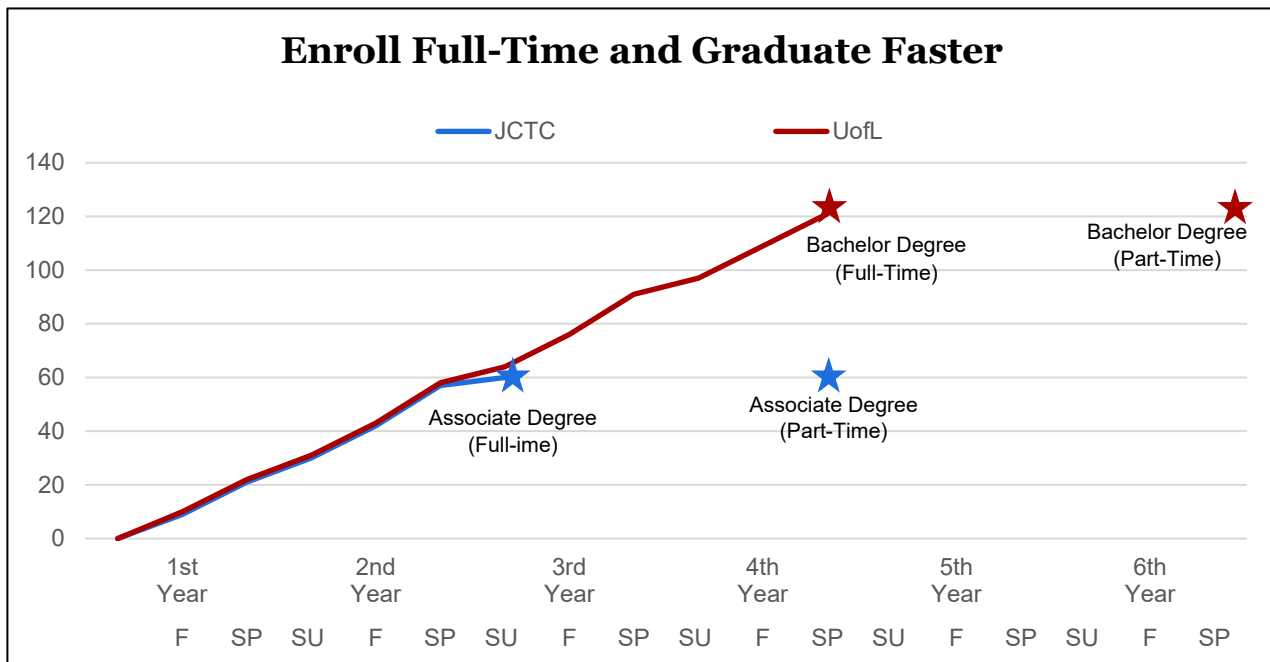

**Make the most of MC bonuses**  
Semester bonuses are limited to 10 semesters, and you can earn your Milestone bonuses quicker.

**Additional year of income**  
Instead of spending a 5<sup>th</sup> or 6<sup>th</sup> year in school, you can enter your career field and maximize your earnings.

**Achieve a better life balance**  
Graduate earlier and remove school from your list of responsibilities. You'll have more time to focus on relationships and work.

**Typical Degree Requirements**  
Associate: 60 Hours  
Bachelor: 121 Hours

We understand that full-time enrollment may not be the best fit for every student. To learn more about your options or add more classes, contact your advisor:
