
METROPOLITAN COLLEGE/UPS SCHOOL TO WORK (STW) CHECKLIST – FALL 2020

SCAN ME

Scan QR Code for full online checklist with smartphone by using camera.

This checklist is designed to help you prepare to transition to the Metropolitan College (MC) program so that you can achieve academic success and get paid tuition - up to the full-time undergraduate, in-state rate - at either the University of Louisville (UofL) or Jefferson Community and Technical College (JCTC).

Questions? Contact a UPS STW Mentor and/or Renecia Griffie Davis, MC Student Development Counselor at renecia.davis@kctcs.edu or (502) 852-2534. We are happy to help!

MC UofL Requirement: UofL students must meet certain admission criteria to use MC benefits. Must have **both** a cumulative 3.0 high school GPA (530 GED) and a 21 ACT/1060 SAT composite* score to participate in the UofL MC program. *Beginning fall 2020, MC will consider a first-time MC student's ACT Superscore of 21 or higher of the SAT Superscore equivalent of 1060, if the minimum 21 ACT or 1060 SAT composite score is not met.

If you do not meet the MC UofL eligibility requirements, you can either attend JCTC and participate in the MC program or take advantage of the UPS Earn and Learn program until you reach the 60 transferrable hours or have obtained an associate degree. In addition, you may submit a petition for an exception to this policy. Submitting a petition does not guarantee approval.

STEPS TO COMPLETE BEFORE YOU GRADUATE HIGH SCHOOL

- File the Free Application for Federal Student Aid (FAFSA)
- Apply for Admission to JCTC or UofL
- Attend New Student Orientation & Register for Classes
